

PROJECT MANAGEMENT SERVICES

OUTSOURCED/ VIRTUAL PROJECT MANAGEMENT OFFICE

Project/Program Management ** Information Technology System Implementation ** Business Analysis

JT Project Management Office (JTPMO) is a dedicated “tiger team” comprising of Certified (PMP) Project Management Professionals , SCRUM Masters and Business/Systems Analysts with 20+ years combined project/program management experience within 11 industries. We can customize our services to provide comprehensive, integrated support as well as single service solutions. We have worked on projects of varied sizes from simple KTLO (keep the lights on projects) to projects/programs with as much as \$90 million dollars in scope. JTPMO will **CREATE** successful outcomes, **IDENTIFY** problems with your proposed solutions and **FIX** those problems for you. **JTPMO supports:**

OUR DIFFERENTIATORS

- Certified Experts with years of experience & updated training
